RAPID HEATER

PRODUCT-NO.: 236653

A strong performance from a compact appliance

If you need heat particularly quickly, this rapid heater is perfect for you. It produces your preferred temperature straight away and does not require much in return: a power socket is all that is needed to connect this electrical appliance.

Effortless control and enjoyment

The heater is convenient to operate as the temperature controller is very easy to access. It is best to opt for the smallest version if installing the appliance in a particularly small recess.
