

CK 20 Premium

PRODUCT-NO.: 237835

Unify warmth and serenity

Heat has an even more relaxing effect if it doesn't cause any annoying noises. This direct heater works particularly quietly in silent mode, thanks to its special fan. We call it silent mode. At the same time, the heating output is so high that you can heat individual rooms quickly.

The finishing touch to your interior

The appliance impresses with its efficient operation and offers you numerous comfort functions, such as a practical weekly timer. For heat that is almost completely automatic. And the high quality design ensures the heater is a stylish element of your interior décor.

The main features

Wall mounted rapid heater – ideal as a supplementary heater or interim heater in spring/autumn

Quick room air heating

High quality design with an aluminium front

Operating controls with backlit LCD

Weekly timer, 120-minute timer, frost protection and open window detection

Silent mode with 1 kW base heating stage

Control unit with self-learning capability: automatic calculation of the preheat time in timer mode

ON/OFF switch and overheating protection
