STIEBEL ELTRON

Technical datasheet

WDH 1000 SBB

ACCESSORIES

PRODUCT-NO.: 235911

The main features

Composite thermal insulation made from rigid foam and fleece

Graphite inserts for good insulation properties

Two insulation semi-shells to make it easier to match the shape

Type	WDH 1000 SBB
Part no.	235911

Technical data

Insulation for	SBB 1000 WP SOL
Thermal insulation thickness	110 mm
Standby energy consumption/24 h at 65 °C	3.40 kWh

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
