

LWZ 130

CENTRAL

PRODUCT-NO.: 237805

Make your indoor environment a priority

Space should not be an issue when it comes to fresh air. That is why we have developed this central ventilation unit, which is mounted on the ceiling to save you plenty of room. The compact design is ideal for apartments and smaller family homes.

Breathe healthy fresh air

When it comes to output, we like to think big – the ventilation unit recovers a large proportion of the heat and more than half of the lost humidity from the extract air. This allows you to breathe fresh air at a pleasant temperature and a healthy humidity level in your home.

The main features

Central ventilation unit with heat recovery

Space efficient ceiling mounting

High living comfort thanks to optimum air quality

Increased indoor air quality through moisture recovery

Energy efficient ventilation through heat recovery

Type	LWZ 130
Part no.	237805

Technical data

Heat recovery level up to	94 %
Air flow rate	50-180 m ³ /h
Filter class	ePM10 ≥ 50 % (M5) ISO Coarse > 60 % (G4)
Power consumption, fan	105 W
Rated voltage	230 V
Sound power level (EN 12102)	33 dB(A)
Height	248 mm
Width	520 mm
Depth	1113 mm
Air connection diameter	125 mm
Weight	18 kg
Specific energy consumption in moderate climates, time control	-36.63 kWh/(m ² a)
Energy efficiency class, moderate climates, time control	A
Energy efficiency class	A
