

FEK 2

DIGITAL REMOTE CONTROL

PRODUCT-NO.: 200168

The digital remote control for the heat pump WPC cool allows a convenient entry, display and control of the cooling and heating operation. For this, the device takes account of the relative humidity, it monitors the dew point and thereby prevents condensate forming.

The main features

digital remote control

Convenient entry and display of system parameters

Dew point monitoring

Type	FEK 2
Part no.	200168
Height	97 mm
Width	147 mm
Depth	33 mm
