

FEK2

PRODUCT-NO.: 200168

This digital remote control allows convenient entry, display and control of the cooling and heating operation. For this, the appliance takes account of the relative humidity, monitors the dew point and thereby prevents condensate forming.

The main features

Digital remote control

Convenient entry and display of system parameters

Dew point monitoring

Type	FEK2
Part no.	200168

Technical data

Width	147 mm
Height	97 mm
Depth	33 mm
