Instantaneous water heater for showers

WS 45 E-2 (EX)

ORDER NO: 207751

Key features

- Temperature adjustment via stepless power control using rotary knob
- Corrosion-free copper heating element for longer service life
- High pressure and heat-resistant copper tank
- Complete set optimised for a single shower
- 5-in-1 shower head with slide bar for convenient height adjustment
- Anti-scalding and overheating protection with double action thermostat
- Protection from electric shock with Earth Leakage Sensing Device (ELSD)
- Protection class IP25 (splash-proof)
- Flame-retardant electronic circuit board for extra safety
- Automatic on/off control with flow switch
- Quick and easy installation
- Suitable for operation with low water pressure
- Luxurious matte black in clean contrast bring structure and elegance into the bathroom

- Indication of power "ON" via LED light on appliance cover

STIEBEL ELTRON

Technical data sheet

Type	WS 45 E-2 (EX) ORDER NO: 207751
Order No	207751

Connections

Cold water connection	1/2 inch

Electrical data

Electrical fuse protection	ELSD
Rated output	4,500 W
Electrical connection	1/N/PE~220-240 V
Rated current	20.5 A
Display	without

Versions

Heating element	Copper tubular
Type	Open outlet
Automatic flow switch	true
Heating material	Copper
Temperature setting	Variable
Temperature control	Output control
Anti-scalding protection	Double acting thermostat

Shower accessories	5-in-1 shower head with slide bar
Colour	white
IP rating	IP25
Installation site	Wall

Application limits

Shutdown value	0.8 l/min
Starting flow rate	1.3 l/min
Max. water inlet pressure	0.5 MPa
Min. water inlet pressure	0.015 MPa

Dimensions

Depth	79 mm
Height	326 mm
Width	200 mm

Hydraulic data

Nominal capacity	0,26 l

Weights

Weight	1.4 kg

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
