Rapid heater

CK 20 Trend LCD

ORDER NO: 236653

Key features

- Compact appliance in a plastic casing
- Electronic controller with illuminated LCD screen
- Weekly timer with 3 time programs, self-learning function and open window detection
- During a power failure, the clock is buffered for up to 10 hours
- Very high safety thanks to 3-stage overheating protection
- Fluff filter in the air intake
- Cable storage at the back for the connecting cable
- Very quiet operation

STIEBEL ELTRON

Technical data sheet

Type	CK 20 Trend LCD ORDER NO: 236653
Order No	236653

Electrical data

Power supply	1/N ~ 230 V
Rated voltage	~230 V
Voltage range	220-240 V
Frequency	50/- Hz
Rated current	8,7 A
Connected load	2 kW
Phases	1/N
Fuse protection	16 A

Versions

Number of heating stages	1
IP rating	IP24
Protection class	II
Colour	alpine white
Frost protection setting	7 °C
Safety system	Ceramic heating element, fuse, temperature limiter

Version	Wall mounted appliance

Sound emissions

Sound pressure level	49 dB(A)

Values

Setting range	5-30 °C

Dimensions

Height	400 mm
Width	275 mm
Depth	131 mm

Weights

Weight	2.80 kg

Energy data

Rated heating output Pnom	2.00 kW
Maximum continuous heating output Pmax,c	2.00 kW
Minimum heating output (standard value) Pmin	0.00 kW
Room heating seasonal efficiency ηs	39 %
with minimum heating output elmin	0.00 kW
with rated heating output elmax	0.00 kW

in standby mode elSB	0.00 kW
Room temperature control with window open detection	x
Room temperature control with presence detection	-
Single stage heating output, no room temperature control	-
Electronic room temperature control plus day timer	-
Electronic room temperature control plus week timer	x
With electronic room temperature control	-
Room temperature control with mechanical thermostat	-
Two or more manual stages, no room temperature control	-
With adaptive start control	x
With working time limitation	-
With distance control option	-
With black bulb sensor	-

Contact information

You have questions? We appreciate to help you:

Call **+27 10 001 85 47** Write an email to **info@stiebel-eltron.co.za**

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
